

## Mini bio - FLAVIANA ROTARU

### **Presedinte ROHEALTH – Clusterul pentru Sanatate si Bioeconomie**

Mrs Flavia Rotaru is the President of ROHEALTH, a GOLD Standard Health and Bioeconomy cluster in Romania, and also the coordinator of MEDRO, the Romanian Network of Clusters in the medical field. Her expertise includes public funding policies, business development, research and innovation, and refundable and non-refundable funds in the health sector.

Mrs Rotaru is currently the member of the Advisory College for Research-Development and Innovation, Life Science Committee of the Ministry of Research Innovation and Digitalization Romania and is actively involved in promoting the Romanian innovators at international level. Besides covering as expertise the entire value chain from idea to the market, ROHEALTH cluster is known also for the unique BEHEALTH international event featuring funding panels and panels on education for health, hospitals from home, clusters for health, social responsibility for health, health policies and infrastructures, and bioeconomy for health.
